Strategy Working Group Chair

Dear Mr. Harper:

Congratulations! The enclosed letter constitutes the Federal Emergency Management Agency's (FEMA) "approval pending adoption" of the Flagler County Local Mitigation Strategy Plan. As indicated in the letter from FEMA, the plan is in compliance with the Federal hazard mitigation planning standards resulting from the Disaster Mitigation Act of 2000, as contained in 44 CFR 201.6. A second letter giving formal approval of the plan will be issued as soon as FEMA receives proof of adoption by at least one participating jurisdiction. The plan would then be approved for a period of five years.

The mitigation planning unit would like to thank you for all of your hard work in accomplishing such a feat. Together we can make Florida a safer place to live for all.

If you have any questions regarding this matter, please contact Bill McCusker, at 850-487-3211, or William.mccusker@em.myflorida.com.

Respectfully,
